Course Chairmanships

Implementing New Standards for the Prevention and Treatment of Venous Thromboembolism. Baltimore, MD, October 21st, 2009

Orthopedic Education Annual Summit, Lake Tahoe, California, January 2010

Thrombopropylaxis: Advances in Orthopaedic Surgery, San Diego, CA October, 2004

Regional Resident Workshop and Job Fair. Annapolis MD, Oct 2001, 2002, 2003

Advances in Minimally Invasive Hip Surgery, Orthopaedic Learning Center, Chicago, IL June, 2003

Presentations

Waldman BJ, Medium-term Outcome of Metal on Metal Total Hip Replacement, Current and Emerging Surgical Approaches for the Treatment of Hip Disorders, Sept 2009, Baltimore, MD

Waldman BJ, Unicompartmental Knee Replacement in Younger Patients, EFFORT 2009, Vienna Austria, June 2009

Waldman BJ, ACL Substituting Total Knee Replacement in Younger Patients, JOA Annual Meeting, Fukuoka Japan May 2009

Waldman BJ, Mini-posterior Approach for MIS Total Hip Replacement, AAOS MIS Course, June 2007

Waldman BJ, Schaftel ES; Complications of Minimally Invasive Total Knee Replacement, American Academy of Orthopaedic Surgeons, February 2007

Waldman BJ: Unicompartmental Knee Arthroplasty, Concepts and Controversies: Orthopaedic Update 2003, August 2003

Waldman BJ: Minimal Invasive Hip Replacement with Large Metal-on-Metal Bearing. Live Webcast, <http://www.or-live.com>. December 2004

Waldman BJ: Perioperative management of Minimally Invasive Hip Arthroplasty. International Symposium on Advances in Joint Arthroplasty, Rome, Ital, November 2004

Waldman BJ: Minimally Invasive Total Hip Replacement, Cadaver course. American Academy Orthopaedic Surgeons. Chicago, IL. Sept 2004, May 2004

Waldman BJ: Unicompartmental Knee Arthroplasty, Concepts and Controversies: Orthopaedic Update 2003, August 2003

Waldman BJ: Minimally Invasive Total Hip Replacement, Perioperative Management. American Academy of Orthopaedic Surgeons. February 2003

Waldman BJ: Minimally invasive total hip replacement, Joint Concepts Meeting, September 2001

Waldman BJ: Patellofemoral complications in a new total knee arthroplasty design , Biomet VIP Meeting, August 2001

Waldman BJ, Wapner JL: PCR vs. PCS designs, Joint Concepts Meeting, May 2000 \

Waldman BJ, Mont MA , Payman KR, Freiberg AA, Windsor RE, Sculco TP, Hungerford DS: Infected total knee arthroplasty treated with arthrodesis using a modular titanium intramedullary nail. Knee Society Semi-annual meeting, February, 1999

Mont MA, Waldman BJ, Yoon TR Hungerford DS: Arthroscopy in the Treatment of Infected Total Knee Arthroplasty. Annual Meeting of the American Academy of Orthopaedic Surgeons, March 1998

Waldman BJ, Mont MA, Yoon TR, Hungerford DS: The Role of Aspiration and Cell count in the Diagnosis of Infected Total Hip Arthroplasty Annual Meeting of the American Academy of Orthopaedic Surgeons, March 1998

Waldman BJ, Mont MA, Hungerford DS: Infected Total Hip Arthroplasty Associated with Dental Procedures Annual Meeting of the American Academy of Orthopaedic Surgeons, March 1998

Mont MA , Waldman BJ, Hungerford DS: Multiple Irrigation and Debridements and Retention of Components in Infected Total Knee Arthroplasty.

Annual Meeting of the American Academy of Orthopaedic Surgeons, February 1997

AOA Residents Conference, March 1996

Waldman BJ, Mont MA, Hungerford DS: Preoperative Cultures Before Second Stage Reimplantaion of Infected Total Knee Arthroplasty. Maryland Orthopaedic Society, March, 1997

Annual Meeting of the American Academy of Orthopaedic Surgeons, February 1997

Waldman BJ, Mont MA, Hungerford DS: Infected Total Knee Arthroplasty Associated with Dental Procedures.. Annual Meeting of the American Academy of Orthopaedic Surgeons, February 1996

AOA Residents Conference, March 1996

Michelson JD , Waldman BJ, Helgemo S, Ahn U: Kinematics of the Ankle after Fracture. Annual Meeting of the American Orthopaedic Association, June, 1995

Waldman BJ, Michelson JD: Biomechanical Studies of the Syndesmotic Screw in Ankle Fractures. AOA Residents Conference, March, 1995

Waldman BJ, Michelson JD: An Axially Loaded Model of the Syndesmotoc Screw in Pronation/External Rotation Injuries of the Ankle. Foot and Ankle Society Meeting, American Academy of Orthopaedic Surgeons, February 1995

Poster Presentations

High Impact Sports Following Metal on Metal Total Hip Replacement, Lee SY, Waldman BJ, Schaftel ES, AAOS 2009

Etienne G, Waldman BJ, Mont MA: Retaining the Femoral Stem in the Treatment of Infected Total Hip Arthroplasty. Annual Meeting of the American Academy of Orthopaedic Surgeons, February 2003

K. Rad Payman KR, Mont MA, Moore JR, Waldman BJ, Sotereanos DG: Nontraumatic Osteonecrosis Of The Humeral Head: Treatment By Hemi And Total Shoulder Arthroplasty Annual Meeting of the American Academy of Orthopaedic Surgeons, March 2001

Waldman BJ, Sharrock NE, Sculco TP: Hypotensive Epidural Anesthesia in Elderly Total Hip Arthroplasty Patients. Annual Meeting of the American Academy of Orthopaedic Surgeons, March 2000

Waldman BJ, Payman KR, Mont MA, Hungerford DS: Use of the Femoral Component with Antibiotic Impregnated Cement as a Spacer in the Treatment of Infected Total Hip Arthroplasty. Annual Meeting of the American Academy of Orthopaedic Surgeons, February 1999

Waldman BJ, Payman KR, Mont MA, Hungerford DS: Value Of Leukocyte Count And Differential After Hip Aspiration In Predicting Deep Infection Of Total Hip Arthroplasty. Annual Meeting of the American Academy of Orthopaedic Surgeons, February 1999

Huo M, Waldman BJ, Lennox D, and Huo S: Total Joint Replacement Surgeries in Patients with significant Peripheral Arterial and Venous Vascular Disease, Annual Meeting of the American Academy of Orthopaedic Surgeons, March 1998

Huo M, Waldman BJ, Riley Jr., L: First One Hundred Patients Treated with the Gemini Femoral Component, Five Year Follow-Up, Annual Meeting of the American Academy of Orthopaedic Surgeons, February 1997
